with Curcumin, Olive leaf, Black pepper and oleuropein

Curcumine with Oleuropein

Vivasan Curcumine Gelpells are good for the digestive function, joints and bones. As an antioxidant, Curcumine helps to protect the body's cells

Curcumin

The plant turmeric or *Curcuma longa* is very well known in India. The root is harvested and used for many purposes. Curcumin is the principal curcuminoid. Turmeric's other two curcuminoids are desmethoxycurcumin and bis-desmethoxycurcumin. The curcuminoids are natural phenols, and responsible for the yellow colour of turmeric. It is a member of the ginger family.

Recommended daily dosage

1 measuring spoon Curcumine Gelpells (700 mg) with some liquid 1 time daily.

Ingredients

Gelatin, vegetal oil (palm, palm kernel), curcuma extract (curcuma extract, maltodextrin), 7.5%: olive leaf extract (olive leaf extract, maltodextrin, silicon dioxide), 3%; black pepper extract 0.3%.
