Vivasan Vitasan Origin Argana Body cream is a rich nourishing skin care cream with argan oil, almond oil, d-panthenol and Vitamin E.

Argana body cream

Vivasan argana body cream is a rich and nourishing body cream with argan oil, almond oil, d-panthenol and Vitamin E.

Argana body cream is suitable for the daily care of the mature skin. Argana body cream soothes and moisturizes, improves skin elasticity and leaves the skin feeling soft and supple. The pampering oils help to protect the skin from dehydration and irritation. Vitamin E helps in preventing the signs of premature skin aging.

Application

Apply Vivasan Argan body cream generously after bathing / showering or as needed. Massage the Argan body cream gently into the skin.
