

Argana Foot Butter

Vivasan Webshop

100ml e 3.38 US fl oz

Vitasan Origin Argana Foot butter contains witch hazel, cucumber extract, argan oil, almond oil, vitamin E and d-Panthenol

Argana foot butter provides a pleasant feeling for the skin. The ingredient combination helps to prevent the signs of premature skin aging and improves the skin appearance. Witch hazel works to soothe the skin and the cucumber extract moisturizes the skin so it feels softer. Argan oil, vitamin E and d-Panthenol smooth the skin and enhance its ability to conserve moisture.

Application

Massage Argana foot butter gently into the skin of the feet. More often for feet that are overly fatigued. For a particular intensive care, apply the foot butter to the feet before going to bed and leave it overnight.

Vitasan Origin Argana Foot butter Ingredients
